

SUMIT GURUNG

WEB DEVELOPER

Profile

A self-funded software development bootcamp graduate with a passion for web development, seeking a junior web developer role to apply and further develop my skills in JavaScript, React, HTML, CSS, and more. With experience in object-oriented programming, test-driven development, and agile methodologies, I am eager to take on a role where I can contribute to dynamic and innovative web projects.

Skills

- Proficient in JavaScript ES6, HTML5, CSS3, React, Node.JS, Sass, Firebase, Jest, Enzyme, and REST API
- Knowledgeable in object-oriented programming, agile methodologies (Scrum), and Git/GitHub
- Ability to work collaboratively and use pair programming to deliver project tickets
- Strong organizational and project management skills
- Excellent communication, problem-solving, and teamwork skills.

Education

BA (Hons) Business Management 2:1
London Metropolitan University

Interests

- Passionate about basketball and actively participate in amateur tournaments.
- Enjoy traveling to new places to broaden perspective and appreciate life.

Experience

Freelance | Web Developer

Present

- Develop and maintain responsive and user-friendly websites using HTML, SASS and Javascript.
- Collaborate with clients to gather requirements and ensure project goals are met.
- Communicate project progress to clients and provide technical support
- Utilized Git version control to manage codebase.

Junior Software Developer | _Nology (Remote)

May - Aug 2020

- Collaborated with a team of 10 on a real-world client project, utilising agile workflows to deliver a web application for HR services.
- Practiced pair programming and worked in week-long sprints to deliver project tickets
- Leveraged tools such as Git/GitHub, Jest, Enzyme, and Firebase to deliver high-quality work on time

Operations | SHY Films: Gurkha: Beneath the Bravery

Mar 2019 - Mar 2020

- Successfully planned and managed the funding phase of a project, achieving the target amount of £25,000 through effective coordination with businesses and charities
- Developed and maintained various spreadsheets to track stock levels during the filming phase
- Managed project schedules for cast and crew to meet deadlines

Security Officer | Bouygues E&S, London

Dec 2018 - Mar 2020

- Maintained high site security by providing a visible on-site presence, monitored security cameras, conducting routine patrols.
- Performed reception duties and assisted with crowd control.
